

WANTED: BADASS RELATIONSHIP OFFICER

Join ARK and be our Relationship Officer!

You will be based: We're guessing in your room or home office. As long as you have stable internet connection and a computer.

We want a *badass* who wants to *make an impact in today's crazy world, work with rural communities towards food security and self-sustainability, and begin (or continue) a career in behavior change and directly working with communities.*

This person will *(eventually) travel and be based either in Capiz or Coron, get competitive pay, and be part of an award-winning changemaking social innovator!*

Working with ARK in this capacity will enable you to:

- understand the plight and brilliance of rural communities, discover their dreams and talent, and understand how to solve problems on the ground
- meet and directly work with farming and fishing families, teachers, officials, and even kids, as you help unite and guide them to launching and managing ARK programs for their communities
- wear multiple hats and learn diverse skills, as you lead and manage your own projects and communities
- meet new people and drum up ideas, as you work with a global team and network from Manila to NYC
- **GROW** and further **YOUR DREAMS**

You will love the work if you

- are a **GO-GETTER**, independent, and loves to get things done. You are a self-starter and do not need to be followed up. You're always the first in line.
- love being a **PROBLEM SOLVER** and you want others to be the same. You will not solve for communities, but solve alongside them. Please don't ever say beneficiary.
- value **CURIOSITY, RESPECT, AND POSITIVITY**. There will be plenty of people to meet, get to know, and work with. Safe to say, you must have a nice personality.
- want to be **PASSIONATE** about your path and **those around you**; this role requires lots of **TEAMWORK** and figuring out how **WIN-WIN** scenarios

Want in?

Email us at join@ruralkids.org three days after you have read this; subject: “I want to join the badass team”; include in the email the date you came across this ad.

Tell us about yourself.

On your email please include your:

1. resume
2. letter – that sheds light on:
 - a. What aspect of ARK or the programs do you really like?
 - b. What of your talent and experience do you want to contribute?
 - c. What do you want to learn, gain or achieve in your tenure with us?
 - d. How will working with ARK bring you closer to your dream or help you in your next venture say in 2 years or 5 years time?
 - e. What are 3 things that your friends love about you? What do they all wish you would grow into?
 - f. the blanks (please fill in):
 - i. My heart skips and sings when “_____”.
 - ii. When the going gets tough, I “_____”
 - iii. I need _____ first thing in the morning, no matter what.
 - g. Your earliest availability for an interview and a start date
3. Portfolio of work or narrative of the impact that you have made, cannot forget, and want to share

Advancement for Rural Kids (ARK) partners with rural communities to get kids back to school and create income and new industry. ARK is rrridiculously serious about creating solutions WITH the community. It only invests in communities that invest in themselves, and only in solutions that communities develop from within, and can afford to sustain on their own. ARK tracks impact and cash flows, and creates a better future for all involved in the journey. ARK’s innovative approach and focus on sustainability and its groundbreaking ARK Lunch have garnered recognition and awards by the Asian Development Bank and partnership from Microsoft, BNP Paribas, JP Morgan, and other corporate and individual leaders across many industries and disciplines. Founded in 2009, it is a 501(c)(3) organization in the US and a foundation in the Philippines. It collaborates with talent and welcomes support from all over the world.
